

Dear Whānau

As you are aware we have been planning for our junior students to return to school. To support the safe return of students and staff we have considered the following:

- The number of senior students who will be onsite sitting external exams - including those needing individual space for special assessment conditions.
- The number of students returning to school in Years 7-10.
- Our ability to provide enough classrooms to cater for all classes. We would normally have camps and Outdoor Education activities planned for this time of year.
- Our ability to provide online learning while teachers have students in class.
- We have also considered what our purpose and focus should be when our students return to school. The staff response to this was overwhelming, with student wellbeing being key.

As of this afternoon, 80% of our students in Years 7-10 have indicated that they will be returning to learning onsite.

Monday 15th November – Wednesday 17th November.

- Students will complete independent learning with work set by the teacher on their Google Classroom or Onenote. There will be no live teaching during this time.

Thursday 18th November – Tuesday 7th December – Students return to school

- Students will return in two groups, on different days
 - Group 1 – Years 7&8
 - Group 2 – Years 9&10
- Students will be in homerooms when at school.
- Students will follow their KAMAR timetable.
- Students who are working from home will complete work on their Google Classroom or Onenote. There will be no live teaching during this time. Unfortunately, we do not have the ability to provide both online lessons and classroom programmes.
